

IN THE DRAWINGS:

The attached sheets of drawings include changes to all of the figures. Formal drawings are being transmitted herewith and include the changes indicated on the attached annotated sheets.

Specifically, all of the figures have been revised to correct the hatching, cross-hatching and shading to correctly indicate the material of that structure. In addition, FIG. 3 has been revised to delete the redundant occurrences of reference numerals "214" and "232" appearing on the right-hand side of the drawing, together with their corresponding lead lines; FIG. 5 has been revised to change the reference numeral "120" to --320--; FIG. 10 has been revised to delete the reference numeral "42" together with its corresponding lead line; FIG. 11 has been revised to delete the reference numeral "42" together with its corresponding lead line; and FIG. 12 has been revised to delete the reference numerals "42" and "46," together with their corresponding lead lines. No new matter has been added.

REMARKS

This amendment corrects errors in the text and drawings. Entry is respectfully solicited. Formal Drawings are being transmitted herewith and include the revisions noted on the annotated sheets.

This amendment is submitted prior to or concurrently with the payment of the issue fee and, therefore, no petition or fee is required. No new matter has been added.

Respectfully submitted,
